Aaron David Ward... Madly Funny

For the past eight years, comedian Aaron David Ward has entertained audiences in more than 12 states from New Hampshire to California by getting them to laugh and think at his self-deprecating, socio-political, and culturally critical comedy. He opens his heart, mind, and soul to fans during each trip deep inside his mind for a funny, honest, and twisted look at his concerns, disappointments, doubts, fears, and worries. You get to see a tug of war between the emotional and intellectual brains when Aaron is on stage.

Aaron has performed throughout the Northeast and Midwest, appeared in the Boston Comedy Festival, and in several movies including *What I See In The Dark* and *Aftermath* as well as a pilot for MTV and VH1 entitled *The List*. Every week on MY TV 4 in Albany, NY, Aaron appears on a hit TV show called *The Glenn Slingerland Situation* where he provides comedic commentary critics describe as "Andy Rooney on Acid."
